

Carte du site de prélèvement et délimitation des aires de protection pour le secteur Aylmer (X0008329-1)

The main map is an aerial photograph of the Aylmer sector, showing the Ottawa River and surrounding land. A yellow line delineates the immediate protection zone (Aire de protection rapprochée) along the riverbank. A purple line delineates the distant protection zone (Aire de protection éloignée). A red dot indicates a specific sampling site. An inset map in the bottom right corner shows the location of the study area within the Ottawa River watershed, with a scale bar indicating 75 km.
